Unveiling Scripture

Led by Prof John Behr

9.30am – 12.30pm; Location TBD

What is involved in reading the Bible as Scripture? And what do we see when the veil is lifted? This series will explore the dynamics of the preaching of the gospel 'in accordance with the Scriptures', the arc of the single economy that leads from Adam to Christ as the path of growth into becoming a living human being, 'the glory of God', as Irenaeus put it, and the maternal and spousal dimensions of the Church as the context in which such growth occurs.

Saturday 2 October:

From the Bible to Scripture: Lifting the Veil

Saturday 6 November:

John, Genesis, and Irenaeus: Becoming Human

Saturday 4 December:

Mother and Bride: The Church
